[REDACTED] - please see email trail below. The quote for Basra cemetery is now much more acceptable to CWGC and I suggest that a route out of the impasse of the remaining sites is to seek quotes from other Iraq-based companies. Grateful you and I pull a similar line on this one. Do you want something in my weekend report?

Dear [REDACTED]
since writing to you I have received a note from [REDACTED] apologising that the quote was in local currency and in sterling is around [REDACTED] which is much more as I would expect.
I will reply to him next week when I am back in the office and copy you into it as I will talk to [REDACTED] first .
Many thanks for your help which I am sure has given us this better result..
yours,

As I thought. An apparent disconnect between [REDACTED] (Director Middle East)/[REDACTED] (Iraq Director) and the team in Dubai.

I'll keep you posted.
